DEC Memo: "Obligado - DESK DUTY - Caller reports black oil in basement. The building is a mixed use 2 story. Restaurant on 1st floor, Residential on second. She said she has no oil tanks and uses Natural gas heat. She owned the building since 2006. She had a flood due to sewer overflow last night. Sewer roter company cleaned out the drain pipe but would not address the oil problem. They told her to call hotline. There is still oil in her basement and odors. 11/03/14-Hiralkumar Patel. 12:15 PM:- visited site. met George, first floor tenant. he provided access to the basement. George mentioned that grease trap was overflowed recently alongwith some sewer backup. found sewage in basement. no petroleum odors or sheen noted on black muddy water in the basement. 12:32 PM:- spoke with Ms. Lopez. informed her that based on observations during site visit, no further investigation is needed and case will be closed. 12:52 PM:- received call from Ian (347-612-2141) from cleaning company. he inquired about oil spill issue. informed him that no evidence of petroleum release noted in basement. case closed."  
Remarks: "caller does not use fuel, uses natural gas, but has staining and oil in her basement."
